Subject: Road Safety Campaign

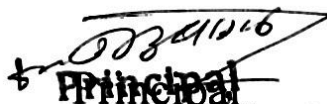

Date: 1/02/2024

Road safety week is a national event aimed at raising public awareness about traffic rules and ultimately to reduce casualties due to road accidents. Millions lose their life and millions get injured in road accidents globally; mainly, due to lack of awareness about traffic rules or a behavior of flouting them. Therefore, to make people more aware of the traffic rules and to persuade them to follow rules while on road; the Road Safety Week is observed annually. To create more aware and responsible citizens, NSS Dept. of Dnyandeep Collge of Science & Commerce organized Raod safety campaign at our campus.

During the entire seminar the campaign was celebrated through various activities and competitions integrated with different disciplines. Students made colourful rangoli and wrote slogans to raise awareness about rules and regulation to be observed while on roads.

On this day Mr.Nitin Patil(Asst.Motor Vehicle inspector,RTO Ratnagiri) advising people to avoid drunken driving, over speeding and to wear helmets and seat belts and to avoid accidents. It was a great opportunity for students who participated and enjoyed being a part of such an initiative aimed at bringing a positive change in the society.

NSS Department Organized Seminar on Cyber Crime

Report

Subject:- Seminar on Cyber Crime

Date:- 16/01/2024

Venue:- Dnyandeep college Morvande-Boraj

Dnyandeep College of Science and Commerce, in collaboration with the NSS department, organized a compelling seminar on cybercrime to commemorate a significant event. The seminar featured Dr. Akshay Fatak as a distinguished guest, adding a wealth of expertise to the event. The occasion brought together the college community, including Dr. Umeshkumar M. Bagal, the In-Charge Principal of Dnyandeep College of Science and Commerce, 8 staff members, non-teaching staff, and approximately 300 participants who actively engaged in the seminar.

Ms Dhanashree Ambare, in his role as the event host, introduced the esteemed guests, and a warm welcome ceremony ensued. Dr. Umeshkumar M. Bagal, in his address to the students, highlighted the significance of the seminar on cybercrime and underscored the importance of staying informed and vigilant in the digital age.

The seminar proved to be a resounding success, providing valuable insights into the evolving landscape of cyber threats. Dr. Akshay Fatak's expertise, combined with the active participation of the college community, made the event highly productive. The students, in particular, expressed their appreciation through positive feedback. The vote of thanks, delivered by Ms. Priya Bavkar, marked the conclusion of the program, leaving the participants with a heightened awareness of the critical issues surrounding cyber security.

Cybercrime has become an increasingly pervasive threat in our digital age, with criminals exploiting vulnerabilities in online platforms to engage in various illicit activities. Dr. Akshay Fatak, a renowned expert in the field, recently conducted a seminar shedding light on the critical aspects of cybercrime. One notable highlight from his presentation was the emphasis on enhancing online security through the implementation of two-step verification on popular social media platforms such as Facebook, Instagram, WhatsApp, Snapchat, and others. This additional layer of security is crucial in safeguarding personal information from unauthorized access and mitigating the risks associated with cyber threats.

Two-Step Verification on Social Media:

Dr. Akshay Fatak stressed the importance of implementing two-step verification as a fundamental step in fortifying digital identities. Social media platforms, being primary targets for cybercriminals, often witness unauthorized access, identity theft, and fraudulent activities. By incorporating two-step verification, users add an extra layer of protection beyond traditional passwords. This involves a secondary authentication step, such as a unique code sent to a registered mobile device, ensuring that even if passwords are compromised, unauthorized access becomes significantly more challenging.

Personal Experiences and Life-Changing Examples:

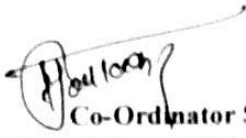

During the seminar, Dr. Akshy Fatak shared compelling personal experiences and life-changing examples to underscore the gravity of cyber threats. These real-life stories provided a stark reminder of how individuals, regardless of their technical prowess, can fall victim to cybercrime. By weaving personal narratives into the discussion, Dr. Fatak effectively communicated the potential life-altering consequences of cyberattacks, motivating the audience to take proactive measures to protect themselves online.

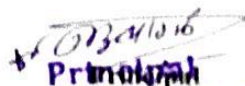

Diverse Types of Cyber Fraud:

Dr. Akshy Fatak delved into the multifaceted landscape of cybercrime, shedding light on various types of fraud prevalent in the digital realm. This encompassed phishing attacks, identity theft, ransomware, and financial fraud, among others. By providing detailed insights into these different forms of cyber threats, the seminar equipped participants with a comprehensive understanding of the evolving tactics employed by cybercriminals. Dr. Fatak emphasized the need for continuous education and awareness to stay ahead of emerging threats, making it clear that cybersecurity is a shared responsibility.

Conclusion:

In conclusion, Dr. Akshy Fatak's seminar on cybercrime not only underscored the growing significance of online security but also provided practical insights into safeguarding personal information. The implementation of two-step verification on social media platforms emerged as a key takeaway, offering a tangible solution to enhance digital security. By sharing personal experiences and detailing various forms of cyber fraud, Dr. Fatak effectively conveyed the urgency of adopting proactive measures to mitigate the risks associated with cyber threats. This seminar served as a valuable resource for individuals seeking to navigate the digital landscape safely and responsibly.

NSS Department Organized Workshop on
Introduction to EVM

Report

Subject: Introduction to EVM

Date: 4/12/2024

On 4th Feb 2024 NSS department of our college organized " **Introduction to EVM**" programme to all the students and teachers in the camapaighn.

Chief guest of this program was Mr.Santosh Bhoir(Circle Officer,Tehsildar Office ,Khed).Mr.Umeshkumar Bagal host the programme by introducing and welcome to dignitaries.

Mr.Santosh Bhoir introduce EVM machine and guide students about EVM. They said Voting by EVM's has made the process simpler as one does not need to mark a ballot paper and put it in the ballot box. In an EVM, the voter has to just press the blue button against the candidate and symbol of his choice and the vote gets recorded. The scope of invalid votes is eliminated which could not be possible in the paper ballot system.

The counting process is very quick and the result can be declared in hours as opposed to days. There is no need for printing millions of ballot papers. This leads to saving of money on account of paper, printing, transportation, storage and distribution.

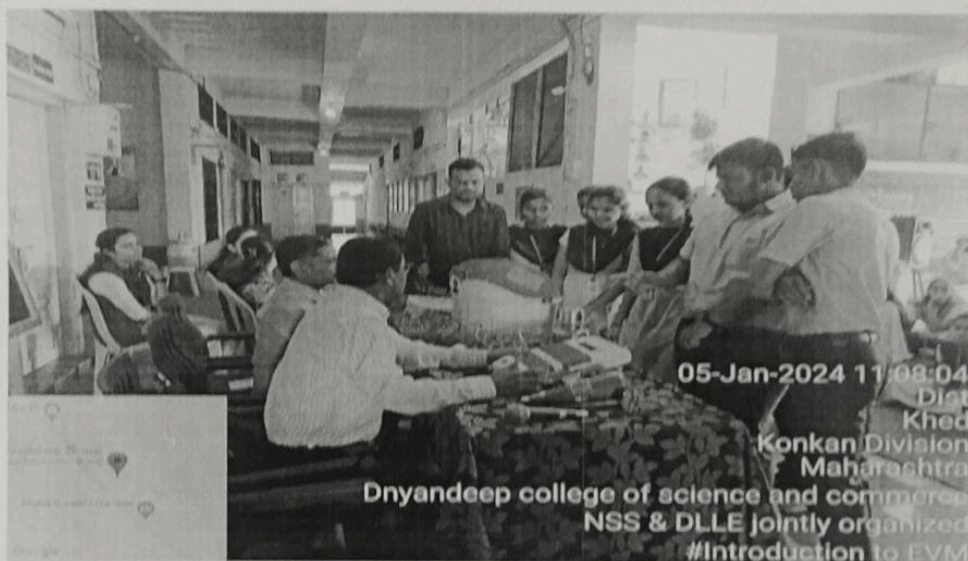

There are both audio and visual indications for the voter to be assured that his vote has been recorded correctly. As soon as a voter presses the blue button, the lamp against the symbol of his chosen candidate glows red and a long beep is heard. Also show the practical functioning of EVM.

This way the hole programme was a great success and proved productive to all of us,Ms.Priya Bavkar proposed vote of thanks and program was over.

**DLLE Department Organized Workshop on
Introduction to EVM**

Report

Subject: Introduction to EVM

Date: 05/01/2024

On 5th Jan 2024 DLLE department of our college organized "Introduction to EVM" programme to all the students and teachers in the camapaign.

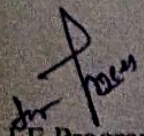

Chief guest of this program was Mr.Santosh Bhoir (Circle Officer, Tehsildar Office ,Khed). Dr. Umeshkumar Bagal host the programme by introducing and welcome to dignitaries.

Mr. Santosh Bhoir introduce EVM machine and guide students about EVM. They said Voting by EVM's has made the process simpler as one does not need to mark a ballot paper and put it in the ballot box. In an EVM, the voter has to just press the blue button against the candidate and symbol of his choice and the vote gets recorded. The scope of invalid votes is eliminated which could not be possible in the paper ballot system.

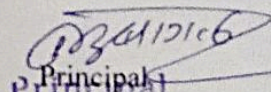

The counting process is very quick and the result can be declared in hours as opposed to days. There is no need for printing millions of ballot papers. This leads to saving of money on account of paper, printing, transportation, storage and distribution.

There are both audio and visual indications for the voter to be assured that his vote has been recorded correctly. As soon as a voter presses the blue button, the lamp against the symbol of his chosen candidate glows red and a long beep is heard. Also show the practical functioning of EVM.

This way the whole programme was a great success and proved productive to all of us. Ms. Priya Bavkar proposed vote of thanks and program was over.

महाराष्ट्र शासन

महिला व बाल विकास विभाग

शासन निर्णय क्रमांक:- मबाआ-२०२३/प्र.क्र.५७/का.७

नवीन प्रशासकीय इमारत, मंत्रालय, मुंबई.

दिनांक:- २३ जून, २०२३.

संदर्भ:- उपआयुक्त, (प्रशिक्षण), महिला व बाल विकास आयुक्तालय, पुणे यांचे पत्र क्र. मगांप्रप्रस/स्वसंप्र/प्रस्ताव/२०२३-२४/७६, दि. २०.६.२०२३.

प्रस्तावना:-

मा.मंत्री, महिला व बाल विकास विभाग यांच्या अध्यक्षतेखाली दि. १५.६.२०२३ रोजी विभागाची आढावा बैठक घेण्यात आली होती. सदर आढाव्यादरम्यान मा. मंत्री महोदयांनी राज्यात महिला व मुलींच्या होणाऱ्या निघृण हत्या व हिंसाचार याबाबत चिंता व्यक्त केली होती. महाराष्ट्र राज्य हे देशातील सर्वात जास्त शहरीकरण झालेले राज्य आहे. तसेच बदलत्या काळानुसार महिलांच्या बदलेल्या समस्या व त्यावर कराव्या लागणाऱ्या उपाययोजना करण्याकरिता शासनस्तरावरून नियोजन करणे अत्यावश्यक बाब झालेली आहे. अलीकडील काळात महिला व मुलींवर होणारे क्रूर हिंसाचार व त्यातून त्यांची केली जाणारी हत्या हे शासनासमोरील व समाजासमोरील आव्हान ठरत आहे. त्यास आळा घालण्यासाठी प्रतिबंधात्मक उपाययोजना करणे आवश्यक आहे. शाळकरी व महाविद्यालयीन तरुण-तरुणी यांची जीवनशैली तंत्रज्ञानाने खुपच बदलली आहे व त्यातून सामाजिक समस्या निर्माण होत आहेत.

त्यानुसार या विभागामार्फत राज्यातील युवतींना स्वसंरक्षणाचे प्रशिक्षण देणे व त्यांचे समुपदेशन करण्यासारख्या उपाययोजना करण्याची बाब शासनाच्या विचाराधीन होती.

शासन निर्णय:-

प्रस्तावनेत नमूद केल्याप्रमाणे राज्यातील महिला व मुलींवर होणाऱ्या अत्याचाराला आळा घालण्यासाठी राज्यात राजमाता जिजाऊ युवती स्वसंरक्षण प्रशिक्षण कार्यक्रम राबविण्यास शासन मान्यता देण्यात येत आहे. सदर कार्यक्रम आयुक्त, महिला व बाल विकास, पुणे यांच्या अधिपत्याखालील महात्मा गांधी प्रशासन प्रशिक्षण संस्था या स्वायत्त संस्थेच्या माध्यमातून राबविण्यासही मान्यता देण्यात येत आहे.
